Program Description

The EADG and AAUMF Continued Medical Education program is designed to update physicians on core areas of clinical practice in medicine and surgery.

Objectives

Upon completion of this program, participants are expected to incorporate:

- ♦ How to evaluate and manage a trauma victim
- ♦ Understanding the prevalence of CKD and its management in Ethiopia
- ♦ Current guidelines in the management of acute coronary events and acute strokes
- ♦ Current guidelines in the management of staphylococcal infections, HIV, and chronic hepatitis infections
- ♦ Basic ethics concepts and the State of Ethics in Ethiopia
- ♦ Advances in cancer screening and management as well as the multidisciplinary approach to cancer care
- ♦ Current approach to managing OA and back pain

Accreditation

This activity has been planned and implemented with the Essential Areas and policies of the Accreditation Council for Continuing Medical Education through the joint partnership of the University of Wisconsin School of Medicine and Public Health; Office of Continued Professional Development, Department of Surgery, Ethio-American Doctors Group, Inc., and Addis Ababa University School of Medicine. The University of Wisconsin School of Medicine and Public Health is accredited by ACCME to provide continued medical education for physicians.

Physician CME Credit

The University of Wisconsin designates this live activity for a maximum of 11:30 *AMA PRA Category 1 Credits*. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Registration

Residents, Fellows, and Local Ethiopian Physicians: Free

EADG Members & International Physicians: \$150 USD *Please bring a personal check addressed to: "Ethio-American Doctors Group, Inc."*
